The Republican County Ticket.

The Republican County Ticket is confessedly a good one. The names upon it are those of well-known, respectable citizens, whose qualifications for the several offices to which they have been nominated are conceded by men of all parties. They are working faithfully, not for themselves, but for the cause. Let them be generously and heartily supported by the Republicans of this City and County. Notwithstanding the odds against us in this ancient stronghold of Democracy, there is a fair prospect of success. But we cannot hope to win without *hard work* and *united efforts*. The taint of *corruption* clings to the Democratic County ticket. It is obnoxious to a great many honest voters in the Democratic party. They will not endorse the "dicker and trade" by which the nominations were secured. Let the Republicans, then, take courage, redouble their exertions and poll their *full vote* for our COUNTY TICKET.

SEND IN THE RETURNS.

We appeal to our friends in all parts of the State, to send us, by the earliest conveyance, the results of the election, on Tuesday, the 6th of November, in their respective precincts. Wherever the telegraph is accessible, send by that. The following is a list of the telegraph stations, on three lines of Railroad leading from our city, to which election returns may be sent:

Calculations about the Election in New York.

The New York *Journal of Commerce*, having published what it called Republican and Democratic estimates of the vote in that State, giving an entirely erroneous view of the result, the *Tribune* exposes the fallacy of the figures in detail and then remarks:—

"If LINCOLN's majority in the State is reduced below 40,000, it must be by corruption and fraud. We believe it will go higher, in spite of the superhuman exertions now making by corruption and fraud. We know that they raised $27,000 last week at one private meeting, and then told two of their leading capitalists not to subscribe now, as they wanted to hold them in reserve for an expected emergency. We know that they have called on mercantile houses for subscriptions, merely because they were mercantile, just as they would ask all on a particular block to sustain a private watchman for that block. We know that beginning with thousands of dollars each, subscribed by their leading bankers and operators in aldermen and such merchantable produce, they have swept over, raising more money than any party ever before spent in an election here, more than can be honestly spent in this one. We know that under this stimulus their drill sergeants are everywhere working with a frantic energy never before exhibited. But we know too that the Republicans are meeting them at every point, with a zeal and resolution equal to their own. Though we cannot raise one dollar to their five, we are confident that the State will go for LINCOLN by an overwhelming majority."

PHILADELPHIA CITY.—The growth of the Republican party in Philadelphia is truly marvellous. From a mere handful four years ago, it is now the strongest organization in that city. Look at the figures:

FOR PRESIDENT IN 1856.

Fremont	7,993
Fillmore	24,084
Buchanan	38,222

FOR GOVERNOR IN 1860.

Curtin	40,233
Foster—less Bell vote	35,098
Bell-Everett vote	6,211
Republicans over Democrats	4,816

The Republicans carried the county ticket and elected every member of Congress from the city. The immortal Declaration of Independence was first proclaimed in Philadelphia, and its doctrines seem to have a firm root there yet. It has 40,000 supporters.

SUICIDE.—J. L. Mandigo, proprietor of Campbell's Hotel, Drumbo, Canada, committed suicide by throwing himself from the gallery on the out side of the house—a distance of about thirty-five feet. He alighted on his head which caused a fracture of the skull, and broke his neck. It is said his wife was often seen in company with another man, which caused jealousy on the part of the husband, and led him to commit the rash act. Previous to destroying himself, he had a few unfriendly words with his wife, and then proceeded to the bar and partook of a quantity of liquor, and immediately hastened up stairs to meet his doom. The affair took place on the 10th inst.

EX-GOV. POLLOCK ON THE STUMP.—Ex-Gov. POLLOCK, of Pennsylvania, has taken the stump for LINCOLN. He addressed a large and enthusiastic audience at Westchester, Pa., on the 24th inst., in a speech of great force and eloquence. He predicted that Pennsylvania would give not less than 50,000, and he hoped 100,000 majority for LINCOLN.

HUNGARIAN INSURRECTION.—A private letter from Turin, of the 23d ult., received in Paris, contains the following passage:

"Garibaldi alone possesses the secret of the period at which the Hungarian insurrection is to break out. He finds it extremely difficult to prevent the Hungarian liberals from acting before he has given the signal. At the moment of my writing to you, Kossuth, Klapka, Teleki and others are here, waiting for the hour to strike by the Garibaldian clock."

A Good Report from Brown County.

Correspondence of the Sentinel.

GREEN BAY, Oct. 23, 1860.

The skies are bright in "old mother Brown," for the Republican cause. We calculate to increase the Republican vote in this county sufficiently to take off one half of LARRABEE's majority in the District, two years ago. If our County Convention, which meets to-morrow, but give us a good ticket, we will do it. Old ABE is a tower of strength with the people here, as elsewhere. SLOAN has been here, and was warmly welcomed. He will run up to his full party vote. And if our County nominations are what they should be, you can expect to hear, clear to Milwaukee, the shaking of the dry bones of Democracy, in this stronghold, two weeks from the present writing.

ENTHUSIASTIC REPUBLICAN MEETING AT WAUKESHA.—The Republicans of Waukesha had a very large and enthusiastic meeting on Friday afternoon, which was addressed by Gov. RANDALL and Mr. WINFIELD SMITH, of this city, with excellent effect. In the evening, the "Wide Awakes" of Waukesha, Oconomowoc, Pewaukee, Wauwatosa, &c., had a parade and made a brilliant display. The Waukesha Republicans took excellent care of their guests from abroad. They are *all ready* for the great battle, next week, and will give a good account of themselves.

Important Correspondence—The Leavenworth City Address and Letters Genuine.

From the Daily Enquirer, of Friday.

We give place below to a correspondence between the Chairman of the Democratic National Committee of this State, and Benjamin Nute, Jr., Esq., formerly of this city, but now of Leavenworth City, Kansas Territory. The letter of Mr. Nute, whose credibility is unquestionable, establishes the genuineness of the correspondence between Col. Burns and sundry members of the Lecompton Constitutional Convention, which the Douglas press has so flippantly pronounced fictitious. We are assured that equally as pointed testimony will be laid before the public in a day or two, fully confirming the statements made by Redmon and others in their letters published by Col. Burns:

MILWAUKEE, Oct. 26, 1860.

EDITORS OF THE ENQUIRER:—I enclose for publication in your issue of to-day, the annexed correspondence between Benjamin Nute, jr., Esq., of Leavenworth City, and myself. Mr. Nute has been known to the citizens of Milwaukee and Jefferson counties for twenty-two years, and I do not believe there are and of his numerous acquaintances in Wisconsin, who will doubt his veracity or his devotion to the democratic party,

Yours respectfully,
J. A. NOONAN.

MILWAUKEE, Oct. 16, 1860.

BENJ. NUTE, Esq., Leavenworth City, Kansas—*My Dear Sir*: I take the liberty of addressing you, because of our old acquaintance and pleasant personal relations, for the following information, and will thank you to forward me a reply at as early a day as practicable.

Does there reside at or about Leavenworth City, such a gentleman as Col. Lewis Burns? Is he a respectable citizen and President of a Democratic Association at Leavenworth City? Does Fred. Emory, Wm. G. Matthias, Daniel Scully, P. Dyer and John W. Henry, live at or about Leavenworth City? If they do are they respectable citizens?

The reason of my asking these questions is, there has been published in the newspapers a correspondence between the gentlemen named which has been pronounced by the press and from the stump, in this section of country, to be a forgery. The correspondence consists of a circular addressed to the people of the United States, and is dated "Room of the Democratic Association, Leavenworth, K. T., Sept. 26, 1860;" also of a circular signed by Lewis Burns, and replies thereto signed by Messrs. Matthias, Emory, Redmon and others.

Very truly your friend,
J. A. NOONAN.

LEAVENWORTH CITY, K. T., Oct. 22, '60.

J. A. Noonan, Esq., Chairman National Democratic Committee, of Wisconsin:—

Yours of the 16th inst., making inquiries in regard to the authenticity of a circular, and the veritability and respectability of the persons whose names are appended to said circular, issued from the Rooms of "The Democratic Association of Leavenworth" is at hand.

I answer all of your interrogatories affirmatively.

Col. Lewis Burns is a resident of Leavenworth City, an attorney-at-law, a citizen most highly respected, and is President of "The Democratic Association of Leavenworth."

Fred. Emory, Esq., Hon. Wm. G. Matthias, Daniel Scully, P. Dyer, M. D., and John W. Henry, Esq., all reside in Leavenworth City, and are respectable citizens.

Mr. Emory is an attorney-at-law, and was formerly register of the U. S. Land Office, in the Fort Riley district.

Mr. Matthias is an attorney at law, and is the present Representative of Leavenworth County in the Council of the Kansas Territorial Legislature.

Dr. Dyer is a practicing physician, and Mr. Henry is an attorney at law.

There is no question here as to the authenticity of the said circular, with the accompanying correspondence, and all the persons therein named, purporting to have been members of the Lecompton Constitutional Convention, were such.

Yours, most respectfully,
BENJAMIN NUTE, JR.

THE SCHURZ RECEPTION.—The demonstration made by the Republicans of Wisconsin, on the occasion of welcoming Carl Schurz to Milwaukee, on Wednesday last, was the largest and most imposing that was ever seen in that city. Over twenty-five hundred torches were in procession in the evening, and those who saw the sight say that it was magnificent in the extreme.

It was a noble and timely tribute to a gallant and able soldier in the Republican ranks, to one whose voice has been heard for years in the thickest of the fray, and whose eloquent and burning words have reached the convictions, and stimulated the efforts of thousands. And it was fitting that the display and welcome should take place where it did, in the beautiful city he has made his home, and where an unscrupulous and malignant partizan press has done its worst to slander and defame him. The overwhelming demonstration of Wednesday shows the place he occupies in the hearts of the people, and how they regard the efforts of hireling defamers to weaken his name and traduce him.—*Whitewater Register.*

THE LADY ELGIN DISASTER—FINDING OF BODIES.—A letter from Coroner Ayers, of Lake County, from Port Clinton, yesterday, says that on the 24th inst., there was buried the body of a female found in the Lake of that place, and described as follows:—Height five feet six or seven inches, black silk dress, twilled cotton drawers, high-heeled gaiters, fine skirt, white skirt, skeleton hoop skirt with sixteen steel hoops, with cotton hose. Could not tell the age, but guessed not very old; middling slim built.

A special despatch received from Calumet Station, Ind., says that the bodies of four men and two women have come ashore near City West, supposed to have belonged to the *Lady Elgin*. The Coroner's inquest will be held to day.

A body of a man was picked up this morning about five miles north-east of the city and is now at the Dead House awaiting an inquest.—*Chicago Daily Journal, Oct. 26.*

CONSOLATION AT A PREMIUM.—M. M. Pomeroy, of the La Crosse *Union*, who has his printing office bet on Douglas' carrying both Illinois and Wisconsin, has the following in the number of his paper announcing the result of the October elections:

"WANTED!—A large Bible with very coarse print. Any person having such a work, with a few consoling passages marked, will get a good bargain. Inquire at the editors' room all day!"

NARROW ESCAPE OF HON. WILLIAM PRESTON, OF KY.—A letter recently received in Louisville, from Hon. William Preston, our Minister to Spain, states that on the 2d inst. while on his way from Marseilles, in a Spanish vessel, the ship was wrecked, and Mr. Preston nearly lost his life. When rescued he was apparently lifeless. His family were landed in safety.

Mass Meeting

CARL SCHURZ and JOHN F. POTTER will speak at the Wisconsin House, on the Kilbourn Road, corner of the four towns, Saturday, November 3, 1860, at 7 o'clock P. M. The Milwaukee Wide Awakes and Gun Squad will be present.

REPUBLICAN NOMINATION—FIFTH SENATE DISTRICT.—The Republican Convention for the Fifth Senate District, which met in this City on Saturday afternoon, nominated with entire unanimity Mr. GEORGE A. STARKWEATHER, of the Seventh Ward, as their candidate for Senator. The nomination is an excellent one. Mr. STARKWEATHER was a prominent and influential member of the Democratic party in the State of New York, when Democracy *meant* something. He has resided for some years in this city, actively engaged in the practice of his profession; and is among the most zealous and efficient Republicans in Milwaukee. He would make a valuable member of the State Senate and will, we hope, receive the united and enthusiastic report of the Republicans of the District.

LIBEL SUIT.—Mr. J. B. Smith informs us that he means to arraign the proprietors of the SENTINEL before a judicial tribunal, on account of an article which appeared in that paper of yesterday, which was calculated to throw odium upon Mr. Smith in connection with Horicon railroad matters.—*Wisconsin, of Saturday.*

Mr. J. B. SMITH called upon us last Saturday, and desired us to state in this issue that the article in relation to the railroad demonstration on the street corners, was merely a report, and not an editorial indorsing or defending either party.

This, of course, we cheerfully consented to do. As the *Wisconsin* assures us now that we are to be sued, perhaps this explanation is unnecessary. We, however, take this occasion to say to our amiable cotemporary, that when the SENTINEL is conducted in such a manner as to accumulate prosecutions faster than it does subscribers; when its editors assail citizens who cannot defend themselves, and protrude their personal animosities before the public, to the exclusion of more welcome intelligence; when we can count on our finger's ends the bills against us for scurrility, and when the merchants and better class of readers request us to renew our stock of writers; for the sake of morality, the papers will be on a relative level, which will give a weight to the sarcasm of the Family paper that the brains of its editors can never supply.

In this instance we do not believe that Mr. SMITH ever informed the author of the above paragraph that he intended to sue the proprietors of the SENTINEL. Mr. SMITH has probably got good sense enough to let the *Wisconsin* advance such an idea. If he did say so, we wish it distinctly understood that we are anxious for him to "blaze away," not so much for our correction, as for the satisfaction of our cotemporary.

ASSEMBLY NOMINATIONS.—The Republicans of the Second Ward have nominated I. A. LAPHAM, as their candidate for Assembly. Mr. LAPHAM is one of our oldest citizens; a gentleman of much ability and irreproachable character. He will do honor to the Ward and good service to the State.

In the 6th and 9th Wards, Mr. G. P. GREEN is the Republican nominee. He is an old citizen, an excellent mechanic and an honest man. The District will find in him a faithful and capable representative.

AT a Republican meeting of the 6th and 9th Wards, at the Wigwam, Friday, 27th inst., G. P. GREEN was nominated Assemblyman for said District.

A. KAYE, Sec'y.

DEDICATION OF THE LIGHT GUARD ARMORY.—The dedication of the Light Guard Armory will take place on Thursday, and not Tuesday, as stated in our last issue.

The Ball will be a very fine affair.

Republicanism in Greenfield.

At the meeting at Hale's Corners, speeches were made by HALBERT E. PAINE and F. C. WINKLER. Mr. WINKLER's services are invaluable to the Republican party. He is a German, and yet speaks English perfectly, and is one of the very ablest and most efficient speakers in the country. Mr. CROUNSE, our candidate for Surveyor, and Dr. ELLSWORTH, one of our candidates for the Assembly, reside in Greenfield, and their great popularity will add much to the strength of our ticket in that town.

Fifth Senate District.

At the Senatorial Convention, held Saturday afternoon, delegates were present from all the Wards and Towns in said District, except the Town of Granville.

Dr. JAS. JOHNSON was called to preside, and Dr. SEELEY chosen Secretary.

On the first formal ballot, G. A. STARKWEATHER received 23 out of 32 votes cast, and was declared unanimously nominated as the candidate for the Fifth Senatorial District.

Mr. STARKWEATHER was called for, and as he appeared on the stand was loudly applauded. He entertained the Convention with a good speech, after which they adjourned.

JAS. JOHNSON, Chairman.
J. B. SELBY, Secretary.

DEMOCRATIC ROWDYISM IN GRANVILLE.—Friday evening last, a Republican meeting was held in the School House at Granville Station, and addressed by JOHN B. D. COGSWELL and I. NEUSTADTL. The School House was crowded by both Democrats and Republicans. The speakers confined themselves strictly to the elucidation of the principles of the Republican party, and carefully refrained from any offensive allusions to their political opponents or their doctrines. As a consequence, the better part of the audience were extremely attentive and disposed to listen. But this is just what a few DOUGLAS rowdies desired least. They attempted, therefore, to annoy the speakers and break up the meeting, indulging themselves in constant interruptions, for the mere purpose of disturbance. These annoyances were taken in good part by the speakers, until it became perfectly evident to the decent portion of the audience that there was a concerted plan to end the meeting in a row, when the rowdyish demonstrations were promptly checked, and the speeches were finished undisturbed. The manifestations were disgraceful, and show the desperate means to which the Democracy are now resorting to prevent the county from being carried by the Republicans. At the close of the meeting a resolution was unanimously adopted inviting Messrs. COGSWELL and NEUSTADTL to return and speak in the same place next week.

The meeting was a complete success, and the Democratic and Republican arguments combined were very successful in their effects. We would warn the *gross* rowdy who headed the small gang on the above occasion, to be very careful in future as to his conduct, or he will be posted in a disagreeable manner.

Mr. EVARTS presided at the above meeting.

There will be a Republican meeting at Rice's School House, in Granville, next Wednesday evening, at 7 o'clock. E.

THE PHILADELPHIA DONATION TO THE LADY ELGIN FUND.—The editor of the Cleveland *Herald*, who accompanied the Philadelphia Excursionists to this city, makes the following allusion to a circumstance already mentioned in this paper:

Omission should not be made of the fact that while at Milwaukee the party from Philadelphia made up a purse of over four hundred dollars in contribution to the fund for the relief of the sufferers by the Elgin calamity. This was strictly private and not to be seen of men, and above all was it enjoined that newspaper mention was not to be made of it: but as these Quaker benefactors, in that respect, undertook a job impossible of execution, and as the deed has already been made public, we commit no breach of courtesy or confidence in giving it mention. The act was a most delicate and touching response to the generous hospitality extended to the donors by the Milwaukee Chamber of Commerce, and by Mr. Baldwin as Superintendent of the railroad that bore the party along the shore of the Lake where that precious freight of humanity, on that fearful night, went down. As we sped by that insatiate watery grave, in the darkness, fancy bore upon the winds, and through the falling leaves, the moaning requiem for the dead whose precious forms the deep refuses to give up, and it could well be made a fitting symphony to the "Song of the Pilot:"

Oh! Pilot, 'tis a fearful night,
There's danger on the deep,
I'll come and pace the deck with thee,
I do not dare to sleep,

* * * * * * * * * * * * * *

On such a night the sea engulphed
A father's lifeless form,
An only brother's bark went down,
In just so wild a storm.

And such, perhaps, may be my fate,
Yet still I say to thee—
Fear not, but trust in Providence,
Wherever thou may'st be.

MUNICIPAL COURT, OCT. 27TH.—John Smith, drunk and disorderly, penalty and costs $21,37, or 30 days in jail.

Willard Sullivan, vagrancy; found guilty, and sentenced to pay a penalty of $15 and costs or 20 days in jail. Allowed to 6 P. M. to leave the city.

John Baker, assault and battery. He was charged with taking hold of the hired girl of Mr. Sexton, in or near Van Buren street, Seventh Ward, on Monday night, and throwing her down, whereupon an alarm was given and he fled. The girl's name is Mary Roth, and she swears that he is the one who threw her down. There was another who has not been caught. Baker was fined $50 and costs, and to stand committed till paid, which is equivalent to 6 months in jail. He was committed.

Jos. Reiner, fornication; sentenced to pay a fine of $30. Paid.

I. N. Mason, disorderly. Yesterday Mr. Mason plead not guilty, and got a continuance bill till to-day. This forenoon he came into Court and changed his plea, entering the plea of guilty, whereupon he was fined $5 and costs. Paid.

Jas. Crummey, complained of by I. N. Mason, that he had committed assault and battery upon him. Plead not guilty and case continued to Monday morning next.

Catharine Bowles and Mary Ann Jackson, charged with keeping a house of ill-fame in the Fourth Ward. Examination had and the Court required them to find bail in the sum of $300 each, in default of which they were both committed.

THE AUCTION SALE of Furniture which takes place on Thursday, Nov. 1st by C. Wall, will be one of the largest sales that has taken place in this city for years. It is sold by order of Chattel Mortgage. The sale takes place at the great and extensive Furniture warehouse on East Water St., between Wisconsin and Mason Sts., No. 220. Read advertisement of Wall, and call at his store corner of Main and Wisconsin Sts., Young's Block, and get a Catalogue.

THE GREAT HOLLAND REMEDY—BOERHAVE'S HOLLAND BITTERS.—Persons subject to nervous sick headache, will find in BOERHAVE'S Holland Bitters, a sure, safe and pleasant remedy. It soothes the throbbing head, corrects acidity of the stomach, assists digestion, and creates a healthy appetite. It is, without doubt, a most delightful preparation, and an effectual remedy. The fact that it is now a very popular medicine throughout all the Holland settlements in Wisconsin, New York, Michigan, Illinois and Indiana, speaks much in its favor. See advertisement in another column. eod1m

Home Insurance.

We insert in our columns below a number of editorials from other papers, bearing testimony to the successful management of the Madison Mutual Insurance Co., all of which we unhesitatingly transfer to our column s. We are acquainted with all of the officers and most of the Board of Directors, and know them to be men of integrity. The successful management of this Co. goes very far to correct the idea so often indulged in by many of our western people that a Mutual Insurance Co. cannot succeed in the west. The location is certainly very central, while much praise is due the originators and officers of the Co. in its earliest days, there is no less credit due to its present General Agent, Mr. G. F. HASTINGS. We have long been acquainted with Mr. H. He came to this State some five or six years ago as an Insurance man and brought with him letters of endorsement from the very highest sources of respectability at the east, as a responsible and competent business man. The Company are fortunate to engage his services as one of the Directors and their General Agent.

MADISON MUTUAL INSURANCE CO.—We publish herewith a number of editorial articles from sundry State papers, with reference to the standing of the above old and reliable Insurance Company—all of which confirm the opinion which we have always had of it—based upon our own knowledge as a stockholder from its organization, our experience as its first general agent, and until recently a sub-agent. It gives us pleasure to add our testimony, knowing, as we do, that it is sound to the core and that there is not, nor ever has been, a more reliable home insurance company in the entire northwest, and we congratulate the officers for the credit they have won in so able and honorably conducting its business matters. The company has already passed the point where question can be raised as to their soundness or reliability.

Read the following home testimony:

We deem this season of the year a proper one to put this question, Are you insured? to each one of our readers. No person expects to have his property destroyed by fire, but all are liable to suffer in this way, and the more liable during the fall and winter months. To be insured is important, but care should be taken to insure in a reliable company. Where responsibility can be found, a *home company* should be preferred to a foreign one. From all the information we can obtain, no company has stronger claims upon the people of this State than the Madison Mutual. This company confines its risks exclusively to Farmer's property, and strictly isolated dwellings in cities and villages. It does business on a safe plan, and so deals with all its patrons as to command their respect. Its officers are among the best men in the State, and its affairs are managed with energy, promptness and prudence. We cannot do our readers a better service than to copy the following notices of this old and reliable home company from the Madison *Journal*, the Janesville *Gazette* and the Waukesha *Freeman*. That from the Madison *Journal* is supposed to be from the senior editor, whose connection with the company as its Secretary, gives him the opportunity to *know* the truth of what he says; and those from the other papers are founded upon the facts that come within the knowledge of the editors.

These articles form a strong, but deserved endorsement of an old and successful mutual company. As an illustration of the promptness of this company, we may state that Mr. Harrison Koon, of this county, who recently had his grain stacks and barn entirely destroyed by lightning, has received in cash the full amount of his insurance, and bears willing testimony to the honorable treatment he has found at the hands of the company in paying him up long before the time stipulated in the policy. This is only one case out of many that might be named, where payments have been made with equal readiness, thus saving the unfortunate any further loss by vexatious delays or litigations. Located at the Capital of our State, where the most distant localities can be represented in conducting the affairs of the company through the members of the Legislature, and the other State officers at Madison.—*Watertown Democrat*

MADISON MUTUAL INSURANCE COMPANY.—We have often had occasion to refer to the reliability and general prosperity of this Company. It has been nearly ten years doing business, and constantly growing into importance and favor with the public, until now it enjoys a reputation second to none in the State. This is the more gratifying as it is a home institution. During the ten years of its existence, all losses have been paid, and but two small assessments upon the premium notes have been made; and from the present condition of its affairs, no more assessments need be anticipated unless it meets with unusual bad luck in the way of losses. Should this be the case, with the large amount of capital that has accumulated in the way of premium notes, but a small assessment could be possibly needed to meet any loss that can occur.

But it was not our intention at this time to speak of the general merits of the Company, but simply to copy extracts from the Janesville *Gazette* and the Waukesha *Freeman*, having reference to the standing of this Company. The people of Rock and Waukesha counties have been liberal patrons of the Company, and many losses have been paid in those localities. Testimony coming from those sources, where the people have had experience, and *know* for themselves how the affairs of the Company are managed will go far to commend it to the favor of those less acquainted with it, and in addition to this, no counties have a more intelligent population, or are more watchful of their own interests, than those referred to, and no editors would be more careful about recommending unsound institutions, than those in question. The testimony is not only good, but it springs from an excellent source.—*Madison Journal.*

MUTUAL INSURANCE.—Col. G. F. Hastings, General Agent of the Madison Mutual Insurance Co., is now in our county, arranging, settling and paying losses by fires from lightning and otherwise, an unusual number of which have occurred the past season, and a portion of which have been insured in this company.

The company represented by Mr. Hastings is one of the best in the State, its business being larger than that of any other, and its payments always prompt.

The Col., from his energy of character, and long experience in the business, liberality and readiness in adjusting and paying losses, has won for the company which he represents the approbation of the public. With Hon. D. Worthington as General Agent for Waukesha county, we cordially commend the Madison Mutual Insurance Co. to the confidence of the citizens of the county, and of the State at large.—*Waukesha Freeman.*

MADISON MUTUAL INSURANCE CO.—Mr. G. F. Hastings of the Madison Mutual Insurance Co., has been in our city for some days past adjusting losses sustained by persons residing in Rock Co., and insured in this company. We are gratified to learn that this company is in a flourishing condition and that it sustains its reputation for liberality and promptness in paying its losses, and in the general management of business. As a home institution, we wish it entire success. Orrin Guernsey, Esq., of this city, is the general agent of Rock County.—*Janesville Gazette.*

SPLENDID COLLECTION OF PICTURES.—There is now on exhibition at the store-room No. 5 Newhall House, one of the finest collection of engravings ever exhibited in Milwaukee. There are over three hundred in all, making a magnificent gallery of art. In a half hour's ramble among them we discovered a number of superior proofs from RAPHAEL, WILKIE, HERRING and ANSDEL.

This collection will be sold at auction, commencing Wednesday, October 31st, at 10 A. M. A better chance to secure the best pictures in the market is seldom offered, as the whole collection must be sold.

SMASH UP.—Two horses attached to a farmer's wagon, started off on Chestnut street yesterday afternoon, and ran wildly up to the top of the hill, throwing the driver out and injuring him severely. After making a trip of about half a mile, they were stopped near the Milwaukee Garden by a German. Whisky, productive of carelessness, was the cause.

ESTABLISHED IN 1847.

CITY AUCTION ROOM.

I AM NOW SETTLED IN MY NEW store, corner of Wisconsin and Main Streets, (Young's Block) a few doors below the Post Office. I have taken this location because I think it preferable for the auction business to any other in the city. Thousands of people pass the corner where I now am, which pass no other in the city, for it is well known that every person goes to the Post Office. I call upon all who have any Dry Goods, Boots and Shoes, Furniture, or Apples, or anything whatever, that they want to dispose of at auction, to send it to my auction room. I will use all my energy to dispose of all goods consigned to me to the best advantage, and prompt returns will be made. I have been engaged in the auction business in this city for thirteen years, and I have tried to do what is right unto all.

I also continue my Land Agency business. My office is in the rear of my store, entrance on Main St. I will attend to all sales of Real Estate either at public or private sale. I will make exchange of real estate with all who want to exchange. Any who have goods to exchange for good real estate in the city or country, I can always get them up a good trade and some money with it; probably there was never a better time to invest in real estate than the present. Prices of lots in our city are very low; lands adjoining our city, are exceedingly low, compared to prices four years ago; but these low prices will not last long, and it is generally believed by all who have lived as long in the West as I have, that next spring will see a sudden rise in real estate throughout this city and country.

This is the time to secure you a good homestead. Now is the time to make investments. I call upon all who have property to dispose of to leave a list of the same with me. I keep a register expressly for that purpose, which will be exposed to the inspection of all, from day to day. I shall keep myself posted in real estate, from day to day, as I have done for the last ten years, and will be happy to give information to all who may wish it.

ONLY ONE WEEK MORE!

REPUBLICANS, BE READY!!

ONE WEEK FROM TO-MORROW, on Tuesday, the 6th of November, the great battle is to be fought, which will decide, for years to come, whether FREEDOM or *Slavery* is to be the predominating interest in the councils of our Republican government. So thoroughly has the question been discussed in all its bearings during four years past, in Congress, in the pulpit, in the press, at the street corners, and wherever men congregate, that there are but very few voters in the country who are ignorant of the issues at stake, or indifferent as to their decision. In this State the public mind is thoroughly aroused, and the public pulse beats high with expectation of a crowning triumph for Liberty and Right on Tuesday week. It cannot be doubted that the Republicans of Wisconsin, ever faithful to the cause to which they have clung so steadfastly during all the political vicissitudes of the past six years, will reiterate on the sixth of November, the emphatic verdict they rendered in 1856 in behalf of Republican principles and the Republican candidates. No man questions that this State will give its electoral vote to LINCOLN and HAMLIN by a majority of many thousands.

But this is not all that is expected of the Republicans of Wisconsin. We must send three Republican Representatives to Washington to sustain the Administration of Mr. LINCOLN. We must make sure of a Republican Legislature, who shall select a good and true man for United States Senator; and aid our faithful and efficient State officers in administering the government in the same honest, economical and satisfactory manner that has thus far marked their course. And we must put capable and trustworthy men into the numerous county offices which are to be filled this fall. In short, Wisconsin, so far as her vote goes, must take care that our LOCAL, STATE and NATIONAL Administrations are thoroughly infused with Republican principles and committed to Republican hands.

This is the honorable task to which our friends must now address themselves. The time for discussion has passed; the hour for ACTION has arrived. But *one week* more remains for preparation. Within that time every arrangement must be completed for the day and the work of Election. Three things are indispensable at every poll:

1. A FULL SUPPLY OF BALLOTS.
2. AN EFFICIENT RALLYING COMMITTEE.
3. TWO, OR MORE RESOLUTE CHALLENGERS.

Delay, confusion and the loss of votes are frequently caused by a tardy, or insufficient supply of ballots. *Let this danger be guarded against in season.*

In every precinct there are some voters too busy, or too indifferent to go to the polls on election day. It is the special duty of the Rallying Committee *to attend to all such cases.* Theirs, too, it is to see, that CONVEYANCES are provided for all aged, infirm, or invalid voters, who cannot walk to the polls; and to bring up such as reside at a distance. In short, it is expected of the Rallying Committee *to make sure that every Republican vote in their precinct is polled before sundown on the sixth of November.*

The CHALLENGERS are to *see fair play at the polls*; not to obstruct, or annoy any legal voter; but resolutely to exclude *all illegal ones.* Many such votes are offered at every election—especially in exciting Presidential contests. Watch the polls closely, therefore. *Look sharp after fraudulent votes.*—Enforce the law promptly against every man who attempts to vote illegally.

Such, in brief, are some of the more important and indispensable duties which our Republican friends are summoned to perform on election day. They may be summed up in six words: BE ACTIVE! BE VIGILANT! BE UNITED! Everything for the cause; nothing for men. Rally altogether for the Right! Sustain the regular Republican nominations. Let no Republican voter be missing on the eventful day. So shall we make our triumph sure; our majorities overwhelming!

The Carl Schurz Fizzle Variously Accounted For.

> All who witnessed the attempt of the Republicans here, to give Carl Schurz a public reception, do not hesitate to pronounce the experiment a decided failure. If the result could be foreseen, he would have remained at home, instead of going down East, as he did, for the purpose of receiving a public ovation on his return.—*News, of Saturday.*

The *News* continues to be exercised about the Republican "fizzle" of Wednesday last, and utterly refuses to be comforted. Day after day it occupies column after column in demonstrating that it *was* a "fizzle;" and notwithstanding all its herculean labors, the public, who saw what manner of "fizzle" it was, persist in disbelieving the *News'* story. But let our neighbor persevere. We know of no more innocent, or appropriate pursuit in which it can engage, than in trying to make its readers believe that the Republican demonstration, in honor of Mr. SCHURZ, was a "decided failure." There can be no possible objection to its devoting all its energies to this congenial occupation. Certainly it is much better than to waste time in singing the praises of Sham-Democracy, or trying to stem the irresistible tide of "Black Republicanism." By all means, Mr. *News*, go on with your "fizzle."

Look to the Legislature.

Let us once more urge upon our Republican friends, in all quarters of the State, to look to their *Legislative* tickets, and use every honorable means to secure the election of the Republican candidates for Senators and Assemblymen. Upon the Legislature about to be elected, will devolve the choice of a United States Senator. It would be a grievous disappointment to Republicans everywhere, should WISCONSIN, through over confidence, or lack of exertion, or petty personal, or local difficulties, fail to return a majority of Republicans to the next Legislature and thus weaken our force in the United States Senate. No such disaster is possible if every Republican does his duty.—Now, of all other times, it becomes every man, who believes in Republican principles and desires to advance the Republican cause, *to prove his faith by his works.* He is not worthy to march in our ranks, who, at such a time, thinks more of personal grievances, or aspirations, and of local interests, or issues, than of the success of the CAUSE.—Never was there an election when it more behooved all true Republicans to work and vote together, *as one man*, for the entire Republican ticket. A solid, unbroken Republican vote will carry our Electoral, Congressional and Legislative tickets by *triumphant majorities.* Let there be no break in our ranks. Let there be no laggards or stragglers in the Republican army. Let each and all resolve to do *their whole duty.* LET US WORK FOR AND VOTE FOR THE TICKET, THE WHOLE TICKET AND NOTHING BUT THE TICKET!

A False and Unmanly Attack upon John F. Potter.

The *Seebote*, an unscrupulous sheet published in this city, gave currency, on the 22d instant, to a lying and malignant personal attack upon our gallant and faithful Representative in Congress, the Hon. JOHN F. POTTER. This is reproduced in the *News* of Saturday, and that our readers may see what weapons sham Democracy, in its desperation, now stoops to use, we copy a few choice paragraphs from the article:

> "Let us look first at the Hon. John F. Potter, who, for the last two terms has represented the first District, and exposed his constituents to shame before the world, by his conduct on the floor of Congress. There he is with his small, gloomy, expressionless eyes, and flat receding forehead, which called from Mr. Vallandigham, on the floor of Congress, the remark that our Potter was a contradiction to Shakespeare, who says "he cannot live whose brains are out." * *
>
> Our John F. Potter, who once held the unimportant office of Probate Judge, and therefore styles himself '*Judge Potter,*' was formerly a political *incognito*, a very small light; but since he, in 1856, played a prominent part in the land grant swindle, and laid the foundation of his career, now he is a political star of such magnitude, that his worshippers do not dare to examine whether its lustre is genuine or not.
>
> Republican organs cannot find words to condemn those Democratic members of that world-wide celebrated legislature, who were bribed by worthless corruption bonds; but they observe a perfect silence about the fact *that John F. Potter was employed to engineer through that legislature that very land grant bill, and to obtain its approval by the Governor; and yet said John F. Potter received, after Gov. Bashford, a greater bonus than any other man implicated.*
>
> "The electors of the first district must remember well how the land grant barons, in the fall of 1856, worked to secure the election of John F. Potter, and what means and wire-pulling were employed in order to gain the votes of the *Democrats* of the district, for this nigger worshipper. "A DEMOCRATIC OFFICE" *was the price of John F. Potter in* 1856.
>
> "But inasmuch as he did not recieve any worthless corruption bonds, he remained an "honorable man," and on this account his name has been smuggled into the list of those few men who like Joshua Stark, voted for said bill without recieving the slightest reward.

The article abounds in a good deal more of the same sort. We shall make short work of it. Every allegation against JOHN F. POTTER, of corrupt, or improper conduct, in the matter of the Land Grant Bill of 1856, is *a gross, unprovoked and dastardly falsehood.*—That Mr. POTTER advocated, in good faith, and materially aided the passage of the bill, is not disputed. All Milwaukee did the same thing. Every Democratic member of the Legislature from this city; every Democratic organ and leader went in for that bill. Mr. POTTER's accusers and slanderers were conspicuous actors in the transaction. What brazen effrontery, then, for them *now* to seek to arraign him for an act *which they all advised and sustained!*

But, says this lying witness, Mr. POTTER received for his services "*a greater bonus than any other man implicated.*" A fouler falsehood never was uttered. Mr. POTTER received no "*bonus*" whatever. His skirts are clear from even the suspicion of having taken a bribe. He did what he believed to be his duty in the premises, without fee or reward.

"The electors of the First District," adds the infamous slanderer, "must remember how well the land grant barons in the fall of 1856, worked to secure the election of JOHN F. POTTER." This is another gross, palpable, villainous fabrication. The "Land Grant barons"—those who remained in charge of the La Crosse road and of the public lands granted in its aid—were earnest and unanimous in working for JACKSON HADLEY, Mr. POTTER's Democratic opponent. All the arts and appliances at their command were employed to elect HADLEY. Few of our electors can have forgotten what an enormous vote HADLEY secured through these instrumentalities.

By why follow this unmitigated liar and libeller farther? Every honest, fair-minded man in the District knows these accusations against JOHN F. POTTER to be utterly *false.* They are all manufactured to order and out of whole cloth—got up, on the eve of election, to prejudice the minds of the people against a TRIED AND TRUE MAN. But the miserable expedient will signally fail. Mr. POTTER is no new, or unknown man. His course in the Legislature, as in Congress, is familiar to the public. His constituents *know* him to be BRAVE, HONEST, FAITHFUL AND LOYAL.

He has done good service to the State. He has reflected credit upon the First Congressional District. He has stood up manfully, on the floor of Congress, in defence of FREE SPEECH. He has abundantly satisfied the "Fire-Eaters" of the South, that Northern men know their rights and *knowing, dare maintain them.* Wisconsin has, at different periods, been represented in Congress by a number of estimable and respectable gentlemen, of both political parties. But not one among them has achieved a *national* reputation, such as JOHN F. POTTER enjoys.

It would be a lasting disgrace to our First Congressional District if we suffered such a man to be defeated. Four years ago, in the State Legislature, Mr. POTTER rendered what all believed to be, an essential service to Milwaukee. He did this at the earnest instance of Milwaukee men, Democrats and Republicans, and in the honest conviction that it was the best thing for both city and State. And now Milwaukee is called upon, by the very men who implored his help, to *stab* him for this service.

During the three years of his Congressional life Mr. POTTER has been faithful and diligent in attending to the interests and representing the wishes of Milwaukee. We are indebted to him for a liberal Light-House Appropriation. If his vote, or that of the Republican party in Congress, could have availed against the *Veto* of our Democratic President, we should have had a large appropriation also for the prosecution and completion of our HARBOR IMPROVEMENT.—Will MILWAUKEE turn her back upon a man who has always been true to her? Give us a REPUBLICAN President and a REPUBLICAN Congress, and Milwaukee, as well as the North-West, will get its honest dues.

One thing more. Let the fair-minded, respectable men of both parties, contrast the course pursued by the Republican press towards Mr. ARNOLD, with that of the Democratic organs toward JOHN F. POTTER. Mr. ARNOLD has been treated with great kindness and courtesy by the Republican journals. The gross personal assaults of the *News, People's Press* and *Seebote*, upon Mr. POTTER, have offered strong provocations to retaliatory warfare. Indeed Mr. ARNOLD is indebted to the forbearance and magnanimity of his political opponents, that he has not been made the target for newspaper attacks far more damaging than anything that has been, or could be said, against Mr. POTTER. But in truth, neither the Republican cause, nor the Republican candidate, need the aid of such weapons. Personal abuse is no argument. A great cause requires no such base appliances. We go to the People upon the merits of the case. We claim their suffrages for JOHN F. POTTER because he has been tried as by fire and has come out unscathed. Let every Republican elector in the First Congressional District, as he respects Manhood, as he values Truth, as he honors faithful public service and as he loves Liberty, give his influence and efforts, his voice and vote, to JOHN F. POTTER!

The Fusion in Pennsylvania Does Not Work.

The DOUGLAS State Committee of Pennsylvania have withdrawn their regular DOUGLAS ticket and adopted that of the Fusionists. The Philadelphia *Press*, and with it a large body of the voters, bolts the arrangement. It says, "that Pennsylvania will vote for ABRAHAM LINCOLN on the first Tuesday in November is as certain as fate," and declares that the effect of the Fusion movement will be "a pervading inertia and controlling indifference, and, what is worse than all, a growing disgust of the Democratic organization."

In New York, "Fusion" fares no better than in Pennsylvania. The leaders of the different factions are willing enough to sell out; but the masses refuse to be sold. The "Dry Goods" Committee have raised a large fund to buy votes in the "rural districts;" but they will find that the people are not up in market.

An Error Corrected.

Correspondence of the Sentinel.

WAUWATOSA, Oct. 26, 1860.

MESSRS. EDITORS:—In the Milwaukee SENTINEL of the 24th September is a report of the transactions of the Wis. S. S. Convention. That report contains the following: "Mr. HOLDRICH wanted to say a word for Fox Lake. I went there this summer and found them without the means of Sunday Schools; they were destitute. The children would not, or could not attend. However, I succeeded in establishing a Union School. The population is about fifteen hundred, and one hundred and fifty attend Sunday School. The work has prospered finely and now a great deal of interest is felt not in the Schools, but in the cause."

The above is an error, which was reported in regard to my statement about Fox Lake S. S. Schools. Now, if you will insert Horicon, instead of Fox Lake, it will read thus: "I visited Horicon this summer and found them destitute, for the want of interest in the cause. The children would not, or could not attend the Sunday Schools. However, I succeeded in establishing a Union School, and is doing well. Fox Lake contains about fifteen hundred inhabitants, and one hundred children attend School, and the work is progressing finely."

Mr. Editor, you will do me a great favor by correcting the error, and insert it in your valuable paper as soon as you can conveniently, so that my dear Sunday School friends at Fox Lake will be relieved of the burden which seems to be resting upon them.

Yours truly,
D. M. HOLDREGE,
Miss. A. S. S. Union, Beaver Dam, Wis.

"IS JUDGE POTTER SAFE?"—The Milwaukee *Sentinel* of Wednesday, copies our article of last week, under the above caption, and adds:

"The Whitewater *Register* does well to urge upon the Republicans of Walworth county the duty of giving their fellow citizen and gallant Representative, John F. Potter, an overwhelming majority. Certainly he ought not to lose a single Republican vote in Walworth, or in any other county of the District. He deserves them all, and many a good Democratic vote besides, for his manly defence of free speech on the floor of the House of Representatives, and for his faithful, intelligent and influential advocacy of the rights and interests of the Northwest.

We assume that a good work is being done for him all over his own District. We can answer, at least, for Milwaukee city and county. Our friends are working here, as they never worked before. We shall poll, on the 6th of November, the heaviest Republican vote ever cast in Milwaukee. The *four or five thousand* majority which the Sham Democracy used to count upon with so much confidence in this county, has gone to return no more. We shall gain here at least two thousand on the vote of 1858. If therefore, the other counties in the District merely hold their own—and some of them, we are assured—will improve handsomely on the vote of '56. Mr. Potter ought to be re-elected by from two to three thousand majority. And if every Republican in the District does his duty, *there is no doubt that he will be.*"

We had understood that the gallant Republicans of Milwaukee were doing their whole duty in this campaign. The words of the *Sentinel* make "assurance doubly sure." Republicans of Walworth, shall we leave to our friends of the other counties the task of electing John F. Potter, while we merely "hold our own?" Shall we suffer our noble Representative, a citizen of our own county, to owe his election to the exertions of our brethren in Milwaukee, Waukesha, Racine, and Kenosha, contenting ourselves with "holding our own?" Never! Let us roll up such a majority for Potter on the 6th of November, as shall show that every Republican in Old Walworth is Wide Awake.—*Whitewater Reg.*

Boots and Shoes.

Dealers in Boots and Shoes,

THE CELEBRATED COPPER TOE!

WADSWORTH & WELLS,

WHOLESALE DEALERS IN

Boots and Shoes,

60 LAKE STREET, CHICAGO 60.

WE OWN THE EXCLUSIVE RIGHT for the sale of *MITCHELL'S PATENT METALLIC TIPPED BOOTS AND SHOES*, for and within the States of Wisconsin, Iowa and Minnesota, and hereby give notice that all parties dealing in these goods within the above States, without having first arranged with us and by our consent, are and will be direct infringers upon our EXCLUSIVE rights, and that as soon as we are advised of any infringement, shall demand proper and immediate redress.

We have made extensive arrangements with the most celebrated manufacturers, whereby we can fully supply the increasing demand with the best qualities of these Tipped Boots and Shoes from our store in Chicago, each pair of which will be stamped and labeled with our name.

We shall recognize no Tipped goods within either the above States, but such are thus stamped and supplied by us.

We will warrant in all instances one pair of child's copper-tipped shoes to out wear two and oftentimes three or four pairs of equal quality without tips, as can be shown by very many testimonials, while the expense is but a trifle more, making an actual average saving to the consumer of near two hundred per cent.

Merchants and dealers in Boots and Shoes within the above States, can also find these Metallic Tipped Boots and Shoes, supplied and properly stamped by Wadsworth & Wells, for sale by ATKINS, STEELE & WHITE, and BRADLEY & METCALF, Milwaukee. WADSWORTH & WELLS. sept27i769dawly

THE MIGHTY HEALER.

LET NOT DISEASE, WITH ITS fangs, prey upon you, until the cold hand of death hurls you to an untimely grave. Shake off the feeling of despair and hopelessness, so liable to come upon the invalid. The plant born of the Sun we place within the reach of all. We care not what may be the specific order of the disease. The cause, the fountain of the disease itself, is impure blood, and through the different channels of the lungs, stomach and the vital organs, JUDSON'S MOUNTAIN HERB PILLS will pass, mingling with the blood, search out and grasp and then expel, all hurtful poison that there is in it. Thus cleanse the blood by a few doses of these Pills, and disease in any form, will dissipate and vanish. As the Sun with its glorious beams first causes the morning dew to rise as mist, then growing stronger casts his burning rays upon it—and behold 'tis gone—so cleanse the blood, and disease, like morning dew, retreats and vanishes. There is no blood purifier equal to JUDSON'S MOUNTAIN HERB PILLS.

Sold by all dealers in medicine.

SOYER'S SULTANA'S SAUCE.
For Hot and Cold Dishes of all Kinds.

THIS MOST DELICIOUS and appetising Sauce, invented by the renowned "SOYER," for the London Reform Club, is, since his decease, manufactured by the well known house of CROSSE & BLACKWELL, London, from the original recipe. It is the favorite sauce in England and on the Continent, with a high and growing reputation among American Epicures, and is much approved of as a stimulant to the appetite and aid in digestion.

Opinions of the London Press.

"We recommend our correspondent to try MONS. SOYER's new Sauce, entitled the 'Sultana's Sauce.' It is made after the Turkish recipe; its flavor is excellent, and it affords considerable aid in cases of SLOW AND WEAK DIGESTION."—*The Lancet.*

"Savory, Piquant and Spicy, worthy the genius of Soyer."—*Observer.*

"A most valuable adjunct to Fish, Flesh and Fowl, and should have a place on every table."—*Atlas.*

RICHARDSON'S IRISH LINENS, DAMASKS, DIAPERS, &C.

CONSUMERS OF RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm,

This caution is rendered essentially necessary, as large quantities of inferior and defective Linens are prepared, season after season and sealed with the name of RICHARDSON, by Irish Houses, who, regardless of the injury thus inflicted alike on the American consumer and the manufacturers of the genuine Goods, will not readily abandon a business so profitable while purchasers can be imposed on with Goods of a worthless character.

Appeal of "The Ladies' Washington National Monument Society."

To the Judges and Inspectors of Elections of the Various Towns, Wards, Precincts, and Election Districts in the United States; to Every Paper and Periodical Published; and the Whole People:

The Monument of GEORGE WASHINGTON remains unfinished in the capital of the Republic he founded. Do you revere his name and memory? and will you not contribute your aid and your efforts to complete the great structure which is designed to commemorate his virtues, his sacrifices, and his devotion to the cause of human liberty? Are not his examples, and the Republic he founded, and the unexpected prosperity you enjoy, deserving of such a memorial? The ladies of the United States believe so; the whole of the people believe so; and the civilized and enlightened nations of the whole world believe so. Shall we prove recreant to the obligations thus imposed upon us? We cannot believe such a thing possible. We therefore appeal to you, one and all, to aid in carrying out the plan presented below, viz:

1st. Let the judges or inspectors of election in every place, in the ensuing Presidential election, (or any person, if they fail to do so,) provide boxes, in which to receive contributions, and appoint suitable persons to take charge of them.

2d. Every voter, for either of the Presidential candidates, is earnestly entreated to deposit in the box thus provided some sum of money, however small, for the object in view.

3d. It is respectfully requested, in order that universal attention may be called to the subject, that every newspaper and periodical in the Union, will give this notice one or more insertions, with such comments as their respective editors may think just and proper.

4th. On the day after the election the persons so receiving the amounts contributed are requested to transmit the same by draft, or in postage stamps, to Mrs. Anna M. Cosby, Secretary of this Society, at Washington, D. C., who will acknowledge the receipt thereof; or, where it is more convenient, these amounts may be sent to the Vice-Presidents of this Society, in the following States and Territories, viz: in New York, to Mrs. Reuben Hyde Walworth, at Saratoga Springs; in Missouri, to Mrs. Robert M. Henderson, Lexington; in South Carolina, to Mrs. Floride C. Cunningham, at Charleston; in Indiana, to Mrs. William Sheets, at Indianapolis; in Florida, to Miss Margaret C. Brown, at Tallahassee; in Arkansas, to Mrs. Elbert H. English, at Little Rock; in Mississippi, to Mrs. Giles M. Hillyer, at Natchez; in New Jersey, to Mrs. Jane Von Wagoner, at Patterson; in Oregon, to Mrs. Mary E. Holbrook, at Oregon City; in Nebraska, to Mrs. Gilbert C. Monell, at Omaha; in California, to Mrs. William S. Long, at Sacramento City; in Vermont, to Mrs. John G. Saxe, at Burlington; in Tennessee, to Miss Sallie Bell, at Murfreesboro'; and in Pennsylvania, to Mrs. Richard Vaux, at Philadelphia; each of whom will transmit the same as directed in the Constitution of our Society.

5th. When the reports are all in, the Secretary will publish in the Washington papers the amounts received, and from what sources.

6th. The ladies who fill the subordinate offices of our Society in all portions of the Union, are requested to co-operate with the officers first above named, in making this effort universal, efficient and successful; and I would suggest that this notice be preserved for the guidance of all who feel and take an interest in the completion of the Monument.

Indulging the prayful hope that the people of the whole nation will unite their efforts with those of the ladies who are engaged in this most laudable enterprise, I subscribe myself in behalf of our Society.

Very Respectfully,
MRS. FINDLAY M. KING, Pres.
of the Ladies' Washington National Monument Society.
Attest:
MRS. ANNA M COSBY, Sec'y,
Washington, D. C.

THE RAILROAD WAR!
Judge Miller vs. the Supreme Court!

CAN'T FIGHT ON AN EMPTY STOMACH.

THE PRESS ON THOMSON'S EATING HOUSE.

THE POPULAR EATING HOUSE, AND the best known one all over the State is Thomson's, at Hartford, on the La Crosse Railroad. We don't know where a better lunch can be had at a fairer price, just a quarter, and Thomson's face, of itself, is worth more to look at, in these glum times, than a week's board at an ordinary hotel.—*Green Bay Advocate.*

We are informed that travelers on the Milwaukee & Minnesota are unanimous in their expressions of delight at Thomson's "Hartford Coffee House," and well they may be. Thomson is one of those fellows who, to be appreciated must be known, and the best way to know him is to stop and try his viands. He generally keeps the best, as the North-West will testify.—*Milwaukee Sentinel.*

HARTFORD COFFEE HOUSE.—People traveling upon the Milwaukee & Minnesota R. R., who neglect to stop into Thomson's Coffee House at Hartford, and get a biscuit, a couple of regular "Shanghai" eggs, a dough-nut and piece of pie, lose a great deal more than the "quarter" they have to pay for all these eatables. Thomson keeps everything in nice order and is always glad to see his friends.—*Portage City Record.*

THOMSON'S EATING HOUSE, HARTFORD.—The Kilbourn City *Mirror* says what is true in the following: "Just the place for breakfast or dinner when one is going to Milwaukee. We tried it one day last week, and, good as the dinner was, we are going to give the proprietor a puff worth three of it. To tell it in short, the warm biscuit, the fried cakes, the eggs, the pound cake, the butter, the pie, the coffee, and all the other nice things couldn't be beat in this State, or any of the other thirty-two that form this American Union—and all for the trifling sum of twenty five cents."—*Daily Wisconsin.*

THE HARTFORD COFFEE HOUSE.—We have always noticed that travelers on the Milwaukee & Minnesota railroad are anxious for the train upon which they are riding to arrive at Hartford station. The reason is now plainly evident to us, since we have ascertained that Thomson has a Coffee House there, where that fragrant beverage can be obtained in all its strength, richness and aromatic flavor, together with all necessary accompaniments. Thomson knows well how to do the thing up, and always succeeds in pleasing his customers; hence the reason he enjoys so large a run of custom.—*Milwaukee News.*

THOMSON'S EATING HOUSE.—At Hartford, on the La Crosse and Milwaukee R. R., lives the jolliest, best natured, broadest faced, loudest laughing, best feeling, coolest talking man in the business. His name is Thomson. He dispenses pies and cakes and boiled hen fruit, and doughnuts and clear coffee, and chickens, and lots of such stuff, to the hungry passengers. His price for all a man can eat is but two shillings, and he who calleth not at Thomson's knoweth not how to prolong his life, or to enjoy the luxuries of this world.—*La Crosse Union & Democrat.*

Pure Ohio Catawba Brandy!

THE UNDERSIGNED HAS BEEN DULY appointed the only and sole agent for this truly PURE MEDICINAL BRANDY For the City of Milwaukee. This Brandy has been thoroughly analyzed by the N. Y. State Assayer, Dr. A. A. Hayes, Chemist, and Prof. Upman Shepard, (Charleston, S. C.) Prof. F. R. Hilton, New York; Prof. Pratt, of Savannah; Prof. Lamont, J. R. Nichols, of Boston; and Dr. Cox, of Cincinnati; and pronounced by them to be strictly pure, and a most excellent stimulant in all cases where pure Brandies are indicated.

Physicians are now prescribing it in the place of Paregoric—not having the effect of that medicine upon the brain.

The physicians in each city, town or village in the State are solicited to apply to the undersigned, who will give them a bottle free of charge, to try before prescribing.

Dose for an infant six weeks old, one teaspoonful, diluted in two tablespoonsful of cold water, taken by the teaspoonful every five minutes until relief is obtained.

Adults and children in proportion.

The want of pure Medical Brandy has long been felt in this country.

The properties contained in this Brandy are more stringent than French Brandies. This the manufacturer claims are the merits, and challenge the world to disprove these facts.

THE ATTENTION OF THE YOUNG men of Wisconsin in particular, and of the Western and North-western States generally, is respectfully called to the advantages which this Institution offers for the acquisition of a knowledge of

BOOK-KEEPING

And commercial pursuits generally. It is now in a flourishing condition, and is working under a CHARTER OF INCORPORATION. The rooms are large and commodious, and are fitted up in splendid style. On introducing the subject to the student, he is led carefully, step by step, through the fundamental and general features of the science; and when these are fully realized, he is required to enter his knowledge of general speculation and merchandising, framing all varied contracts, purchases, sales, &c., and adjusting the necessary entries in the principal and auxiliary books, in precisely the same manner and order as they are made by the skillful Book-Keeper, in the counting-room of actual business.

Thus when the work is completed, the Student finds himself, not a mere theoretical, but a practical accountant, being fully conversant with every branch of this important and interesting science, as applied to General Merchandize, Wholesale, Retail, Commission, Importing, Exporting, Forwarding, Domestic Shipping, Stocks, Exchange, Banking, Manufacturing, Mining, Steamboating, Railroading and business of Compound or Company speculation, in each of which, he has been met with adverse as well as prosperous operation.

The Ladies' Department is entirely separate and tastefully furnished.

Medical.

THE GREATEST
MEDICAL DISCOVERY
OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach.

Three or five bottles are warranted to cure the worst kind of Erysipelas.

One or two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three or four bottles are warranted to cure salt rheum.

Five or eight bottles will cure the worst case of scrofula.

One or three bottles are warranted to cure the worst cases of dyspepsia. I know from the experience of thousands that it has been caused by a canker in the stomach.

One or two bottles are warranted to cure sick headache.

One or two bottles are warranted to regulate a costive state of the bowels.

One or two bottles will regulate all derangement of the kidneys.

Four to six bottles has cured the worst cases of dropsy.

By strictly following the directions in the pamphlet around each bottle, and a judicious application of the

SALT RHEUM OINTMENT, SCROFULA OINTMENT and HEALING OINTMENT,

every sore and ulcer, of whatever kind or nature, except cancer, that has taken root, is perfectly and permanently cured.

ROXBURY, Mass.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of Humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative powers, in relieving all, and curing most of the diseases to which you are unfortunately so liable. Those most excruciating diseases to an affectionate mother,

Nursing Sore Mouth

is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessings to your husband and household.

In the more advanced stage of

Canker

it extends to the stomach, causing

Dyspepsia

which is nothing but canker on the stomach; then on the intestines and

Kidneys

creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is

Raw and Inflamed,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follows a train of diseases which the Medical Discovery is peculiarly adapted to

Cure:

Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also that most excruciating of diseases the

Piles.

How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "an ounce of prevention is better than a pound of cure." In the

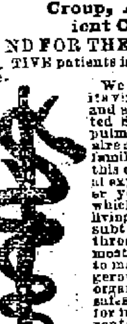
MEDICAL DISCOVERY

you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury. Yours truly, DONALD KENNEDY.

For sale by all Druggists in Milwaukee, and by Druggists generally throughout the Western States. Price $1.00 per bottle. sep21&8dawly

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
Coughs, Colds, Hoarseness, Influenza, Bronchitis, Whooping Cough, Croup, Asthma, Incipient Consumption,

AND FOR THE RELIEF OF CONSUMPTIVE patients in advanced stages of the disease.



We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the United States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice,* and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

Sold by JOHN RICE, Milwaukee, J. H. REED & CO., Chicago, and Druggists and Medicine Dealers everywhere. oct15&3d&wlmo

BŒRHAVE'S
Holland Bitters
FOR
DYSPEPSIA,
Liver Complaint, Fever and Ague, &c.

THE successful introduction and use of this celebrated Remedy has been the signal for a literal flood of "compounds called 'Bitters'," offered in various forms, from a quart bottle to a five-gallon keg, until this word "Bitters" is but another name for "grog," or some villainous whiskey mixture.

But the really great relief derived from the minute dose, once only, [illegible]

BŒRHAVE'S HOLLAND BITTERS,

and the entire absence of after prostration, has established for it a reputation which the host of imitations and counterfeits have failed to undermine. It is positively a vegetable preparation, with barely sufficient pure spirits to preserve it.

But one size of the genuine, (Half-Pint Bottles,) price ONE DOLLAR.

It is a medicine of long-tried efficacy for *Purifying the Blood,* so essential for the foundation of good health and for correcting disorders of the stomach and bowels.

Two or three doses will convince the afflicted of its salutary effects. The stomach will speedily regain its strength, a healthy action of the liver, bowels and kidneys will soon take place, and renewed health be the quick result.

For INDIGESTION, Try
Bœrhave's Holland Bitters.
For HEARTBURN, Try
Bœrhave's Holland Bitters.
For ACIDITY, Try
Bœrhave's Holland Bitters.
For WATERBRASH, Try
Bœrhave's Holland Bitters.
For HEADACHE, Try
Bœrhave's Holland Bitters.
For LOSS OF APPETITE, Try
Bœrhave's Holland Bitters.
For COSTIVENESS, Try
Bœrhave's Holland Bitters.
For PILES, Try
Bœrhave's Holland Bitters.

In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

Read Carefully!

The genuine, highly-concentrated BŒRHAVE'S HOLLAND BITTERS is put up in half-pint bottles only, and retailed at One Dollar per bottle. The great demand for this truly celebrated medicine has induced many imitations, which the public should guard against purchasing.

Beware of Imposition! See that our name is on the label of every bottle you buy.

MOFFAT'S
Life Pills and Phœnix Bitters!

THESE MEDICINES HAVE NOW been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the

VEGETABLE LIFE MEDICINES

Are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

SCURVY, ULCERS and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles, of 35 years standing by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED AND BE CURED.

BILIOUS FEVERS AND LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females—the Medicines have been used with the most beneficial results in cases of this description:—King's Evil and Scrofula, in its worst forms, yields to the mild yet powerful action of these remarkable medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painter's Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

The Lady Elgin Disaster—More Bodies Found.

The long continued prevalence of northern and northeasterly winds has, within a short time past, brought to various points of the shore between Waukegan and Michigan City, a distance of about a hundred miles, increased numbers of bodies of victims of the Lady Elgin disaster. From all evidence, and the opinion of those who are best located for judging, the number lost must be *four hundred*, the number of bodies recovered thus far is not known exactly, but must be in the vicinity of two hundred and twenty-five. The bodies now being found are much changed by advanced decomposition, and only recognizable, if at all, by fragments of clothing, jewelry, &c, adhering to them.

Yesterday a body came ashore near the Round House, on which an inquest will be held this morning, as also on the body of a military man found just below Hyde Park.

On the shore near Miller's Station, twenty-five miles south of the city, several bodies were found as described in the following dispatch to Capt. G. M. Gray, of the Michigan Southern railroad:

A. M. Pierce, in black letters on pocket, black pants and coat, green top boots, coarse comb on side of his head; should think he had light hair; five feet three or four inches high. Another, naked, black hair, gold ring on left little finger, six cornered glass set; five feet seven or eight inches high.—Another, striped satinett pants, suspenders with black stripe on both sides, black buckles, small boots, head gone. Another entirely buried in the sand, but can be found, described as having on heavy boots, light pants, which are gone except small pieces, leather strap around the waist.

A dispatch received from Michigan City says there are nine bodies there, found on the shore in that vicinity.

The following description of the body found near Hyde Park has just been sent us by J. W. Merrill, Station Master at that place:

The body of a man, supposed to be a passenger from the Lady Elgin, was drawn ashore two miles south of this place this morning, by a fisherman named Peter Rich. His height is about 5 feet 7 inches. Has on a musician's coat; pants partly gone; bandages on right leg, indicating the dressing of a wound. The body is very much decomposed, the flesh being gone in many places. —*Chi. Press & Tribune, Saturday.*

Disastrous Fire at Lill & Diversey's Brewery.

About 6 o'clock P. M. yesterday afternoon, a fire was discovered in the malt house of the extensive Brewery establishment of Messrs. Lill & Diversey, in the North Division, at the foot of Superior St., and immediately adjoining the Chicago Water Works.

From the location of the fire it gave but slight exterior signs without the building, and so conveyed no alarm, but Mr. Lill conceiving readily the danger, dispatched a man on horseback to the Court House, and the signal was sounded for the Sixth District. The Fire Department were promptly on the spot, the messenger conveying the intelligence to several of the steamers and guiding them to the spot.

The fire broke out in the vicinity of one of fourteen large grain kilns in the malt house, a massive four-story brick structure, fronting on Sands street, and the foremost of the long range of substantial structures extending in a line nearly to the Lake Shore a distance of over four hundred feet. The fire spread rapidly through the close beams of the long ranges of floors, the depth of the building rendering the task of reaching it with the streams of water no slight one, and the labors of the firemen for several hours were extremely arduous. Chief Engineer Harris was everywhere, and used admirable discretion and judgment in guiding the attack.

It is such fires as this that most strikingly evidence the gain to the Fire Department in calling steam to "man the brakes." The fire last night would have worn out hundreds of men at the old hand machines with far less effective results than were attained. By dint of hard exertions the flames were confined to the front of the premises and gradually got under, with a loss confined to the malt house.

It is impossible to estimate the loss, but it must be quite heavy, there being in the building from $8,000 to $10,000 worth of malt and barley. The exterior walls of the building, were, as we believed, preserved in a good condition. The entire loss must be from $10,000 to $12,000; insured. The fire was occasioned by too high a firing of the kiln in question.—*Press & Tribune, of Saturday.*

HORRIBLE DEATH.—We are pained to be obliged to chronicle the facts that led to the death of Mrs. A. J. Howe, of this village, which occurred on Sunday last, by her clothes taking fire while engaged about the stove.

As soon as her garments became ignited she became so excited and confused that she rushed out of doors, and as soon as the wind had access she immediately became enveloped in flames, and not till the fire had burned her body in a horrible manner could the clothing be torn from her person. She was immediately cared for, and every possible means devised for her comfort by friends and neighbors, and if possible save her life —but all in vain.

She died on Tuesday morning, after suffering more than death. She leaves a husband and two small children—the youngest a babe at the breast—friends and relatives to mourn her loss; who but a few short hours since was enjoying the pleasant comforts of a family circle and happy companionships of those that were near and dear.—*Geneva, Wis., Lake Mirror.*

MONETARY.

SATURDAY P. M., October 27, 1860.

With the exception of a slight stringency in Exchange within the last three days, and an advance of ¼ ℘ cent in the rate, the money market has worked smoothly during the past week. The current rate of exchange is now 1 ℘ cent at the banks, and ¼@½c. lower on the street. The demand has been very active, a considerable being purchased for interior use. Currency was plenty enough for all business purposes.

CHICAGO MONEY MARKET.

The *Press & Tribune* of this morning says:

The money market to-day was unusually quiet.—There was less Eastern exchange offered, and rates were firm at ¾@1 ℘ cent premium—the former being the buying, and the latter the selling rate. Currency was in fair demand and the various bankers were tolerably easy.

The depreciation in State stocks is causing some slight talk with regard to Illinois and Wisconsin currency,—the great bulk of which is secured by Missouri bonds. But thus far there is not much occasion for alarm. The Auditor will doubtless take good care that the securities are made good whenever occasion requires.

COMMERCIAL.

SATURDAY P. M., Oct. 27, 1860.

The receipts of wheat to-day were only 63,000 bus, and for the week 477,001 bus. The shipments for the week are 628,436 bus, leaving a stock in store of about 700,000 bus. The market to-day was dull and heavy at yesterday's prices, but the decrease in receipts and downward tendency in freights counteracted to some extent the effect of the decline at New York, and sellers did not consequently press their receipts on the market, else even the inside quotations of yesterday would hardly have been sustained. The sales up to the close of 'Change did not exceed 30,000 bus at 85@85½c for No. 1 spring in store; 68@83½c for No. 2 do do; and 89c for Extra Club, chiefly at the outside quotations. Freights were rather weak at 17c to Buffalo. The brigs *N. M. Stanard* and *Powhatten*, and schr. *Lewis Ludington* were chartered at that rate before 'Change. Later in the day shippers were not disposed to pay that figure, but we heard of no engagements. Flour was even more depressed than wheat, as there is a rise in rates of insurance, and a probability of higher railroad freights on Monday. Buyers were offering $4,25@4,50 for fair to prime country Extra, and $4,75 for fancy city brands, a decline of fully 25c as compared with last week's prices. The rates of freight at present are as follows:

	By Steam	*By Rail.*
To New York	$1,30	$1,40
Boston	1,50	1,55

CHICAGO MARKET, OCTOBER 26.

The receipts at Chicago yesterday included: 4,704 bbls flour; 86,857 bus wheat, 31,259 bus corn; 5,938 bus oats; 1,834 rye; 4,651 bus barley. In reference to the market the *Press & Tribune* says:

The news had a very depressing effect on the wheat market, which opened firm at 79½c for No 2 Spring, and 88c for No. 1; but immediately after the steamer was telegraphed, became flat and heavy, and declined 1½@2c ℘ bus. About 100,000 bus changed hands, at 84c for Northwestern Club; 81@83c for No. 1 Spring; 78@79½c for No. 2 do; and 70@72c for Rejected—the market closing quiet at 78@78½c for No. 2 spring. The flour market was also heavy, and ordinary brands of Spring extra declined 10c. There was a better demand, however, for choice brands, and the market, though heavy, was not quotably lower. About 1,500 bbls were sold at $4,25@5,10 for ordinary to choice Spring extras, and $3,25@3,90 for Spring and Winter superfine. There is a better demand for corn to-day, and the market was firm, with sales of 35,000 bus at 36@36½c for No. 1 River afloat; 35c for No. 2 Canal afloat; 34½@34¾c for No. 1 in store; and 33½c for No. 2 do. New corn was neglected and dull. Oats were very quiet, with sales of about 10,000 bus at 15½c for No. 1 afloat, and 17c in store. Rye declined ½c—sales being made at 49c for No. 1 in store. There was a fine inquiry for choice barley, and sales were made at 60@65c on track; but common barley was very dull at 40@50. Timothy Seed was more active at $1,90@2,25 for inferior to prime.—Highwines were dull and ½c lower—19c being the price for city manufactured. Alcohol, 40@41c.—Hides are active and firm. Broom Corn very dull. Nothing doing in provisions, except in small lots to the Lake Superior and lumber trade.

The supply of Beef Cattle to-day was light, and the market was quiet and unchanged—fair packing stock being sold at $2,25@2,75. The weather being cool, there was a better demand for hogs by packers, and the market was very firm, at $5@5,25—holders at the close insisting on higher prices. Sheep are in good request at $2,87½@3,25.

Weekly Review of Milwaukee Produce Market.

SATURDAY P. M., Oct. 27, 1860.

APPLES—The market has been abundantly supplied, but prices remain without material change. Choice apples are selling at $2,25@2,50, and inferior at $1,50@1,75 ℘ bbl. Receipts by Lake are 7,455 bbls.

BUTTER—Receipts by Railroad for the week 54,455 lbs. We quote firkin at 9@11c; fresh roll 12@14c—the latter scarce.

CRANBERRIES—Begin to come in from the North-west and are in good demand, bringing $1,75@2,25 for common to good qualities, by the quantity. Some choice berries occasionally sell at 25@50c better prices. The receipts for the week are 348 bus.

COOPERAGE—Flour bbls 30@32c; Beef and Pork bbls 75@80c.

EGGS—Scarce and firmer, bringing 11@12c by the bbl. Receipts by Railroad for the week are only 10 bbls.

FLOUR—Receipts for the week, exclusive of local deliveries, are 15,601 bbls. The general range in prices has been $4,40@4,60 for fair to choice country Extra, and $5 for fancy brands; but to-day buyers are offering only $4,25@4,50 for the range of country brands, the decline in Eastern prices, together with higher freights and high insurance, greatly depressing the market. The sales reported during the week have been as follows: *Monday*—There was nothing done. *Tuesday*—Sales included 200 bbls "Empire" (Beaver Dam) Extra at $4,55; 100 bbls "Kekoskee" do on p. t.; 900 bbls mixed country superfine brands at $3 25@3,50. *Wednesday*—1,000 bbls "Mazomanie" Extra, early, at $4,75; 800 bbls "Sauk City" do at $4,75; 250 bbls "Stone Mills" do at $5. *Later*—200 bbls "Berlin City, and 1,000 bbls other brands on private terms. *Thursday*—100 brls "Okee," 150 brls "Columbia," and 100 brls "Berlin City," Extra, at $4,60. *Friday*—150 bbls "Pigeon River" superfine at $3,10; 100 bbls "Danville," 150 bbls "Maple Leaf," 100 bbls "Wautoma," and 100 bbls "Keystone," all Extra, at $4,50 on board—all early in the day. *Saturday*—Buyers were offering only $4,25 for good country Extras, and holders not conceding, the market closed dull and flat.

GRAIN—The receipts for the week exclusive of the deliveries by teams are as follows: 477,011 bus wheat; 1,746 bus oats; 256 bus corn; 5,193 bus barley; 475 bus rye. As the shipments of wheat amount to 628,000 bus, the stock on hand, it follows, has been reduced 154,000 bus since the close of last week, which leaves something like 700,000 bus still in store. The market on the whole has been dull and heavy during the week, and closes inactive at a decline of about 3c on standard grades. On Thursday evening and Friday forenoon the market rallied somewhat under a firmer feeling at New York, and a slight decline in freights; but on the receipt of the *Canada's* news, reporting a decline of 2@3d on wheat in Liverpool, prices immediately dropped 2c, and a still further decline to-day was only averted by a more liberal supply of vessels and downward tendency in freights. We quote No. 1 spring closing at 85½c in store, and No. 2 at 83½c, with a demand only for immediate shipment. The following are the principal sales reported since our last review. *Monday*—1,400 bus No. 1 in store at 88c; 23,500 bus do at 87c in store; 4,700 bus do at 85c in store; 7,200 bus do at 88c delivered in bags; 1,000 bus No. 2 at 86c in store; 9,600 bus do at 85c in store; 500 bus do at 84c in store; 800 bus club at 89c delivered; 2,480 bus extra club at 90c, delivered. *Tuesday*—21,700 bus No. 1 spring in store at 87; 6,750 bus do at 86½c in store; 1,500 bus do at 86c in store; 8,500 bus do at 85c del. in bags; 200 bus do at 87½c; 5,500 bus No. 2 at 85c in store; 8,300 bus do at 84½c in store; 1,500 bus do at 84c in store; 700 bus rejected at 82c; 800 bus do at 80½c. *Wednesday*—2,700 bus No. 1 spring at 86c in store; 13,000 bus do at 85½ do; 4,000 bus do at 85c do; 4,700 bus do at 87c delivered in bags; 6,000 bus do at 86c do do; and the following lots for December delivery, seller's option: 1,000 bus and 5,000 bus at 84c; 5,000 at 84½c; 5,000 and 1,000 at 85c; and 10,000 at 85½c; 7,100 bus No. 2 at 83c in store; 1,160 bus Club at 88c, 600 bus do at 89c; 500 bus Extra at 90c delivered in bags. *Thursday*—1,000 bus No. 1 spring at 85c in store; 2,700 bus do at 85½c in store; 5,200 bus do at 86c in store; 11,400 bus do at 86 delivered; 350 bus do at 86½c delivered; 1,200 bus do at 87c del; 1,400 bus No. 2 at 83c in store; 1,400 bus do at 83½c in store; 5,700 bus do at 84c in store; 3,000 bus Club at 86½@87½c delivered; 700 bus Extra at 88c (early.) The market closed at 86c for No. 1 and 84c for No. 2; but holders were generally holding at ½@1c above the prices offering. *Friday*—1,700 bus No. 1 spring at 87c in store; 50,000 bus No. 1 and No. 2 at 87½ and 85½c. Later: 12,000 bus No. 1 at 85½c in store; 1,400 bus do at 87c del; 6,000 bus No. 2 at 83½c in store; and 1,000 bus do at 81c; 1,600 bus Extra, at 90c del. *Saturday*—Early, 1,500 bus No. 2 and 1 spring at 83@85c in store; 4,050 bus No. 1 at 85½c; 600 bus No. 2 at 83½c in store; 3,000 bus No. 1 at 87c delivered; 4,400 bus No. 1 do at 86½c—On 'Change—3,000 bus No. 2 at 83c; 4,200 do at 83½; 900 No. 1 do at 85; 4700 do at 85½c; 1,200 do del at 86½c; 700 Extra do at 89c. The prices paid for the different descriptions have been as follows: Oats 23c delivered; shelled corn 47c; common barley 40@45c, choice bright samples 60c; rye 47c. There is a large quantity of inferior barley on the market, which is difficult to dispose of at any price.

At the yards prices are very firm, the stocks on hand, as a general thing, are small, and some kinds of seasoned lumber can be had only at the largest yards. 12 ft common boards and scantling are generally held at $12, otherwise there is no change in rates.

RAILWAY MATTERS.

MILWAUKEE AND MISSISSIPPI RAILROAD CO.

The Receiver of the Milwaukee and Mississippi Railroad Company is paying off, at the Bank of North America, the first mortgage ten per cent. bonds of that road, the money being already in hand and deposited. This is good news for the bondholders.

THE DETROIT & MILWAUKEE RAILROAD CO.

Yesterday the Detroit & Milwaukee *Railway* Company stepped aside, and the Detroit & Milwaukee *Railroad* Company took its place, with the following Board of Directors, viz:

C. J. Brydges, Hamilton, C. W.
Thomas Reynolds, do do
C. C. Trowbridge, Detroit.
Edmund A. Brush, do
H. N. Walker, do
—— Gage, Canada.
—— Kellum. "
Wm. K. Muir, Detroit.

The following officers were elected:

C. J. Brydges, President.
Thomas Reynolds, Vice-President.
C. C. Trowbridge, Secretary.

This reorganization will not take the public by surprise, the circumstances compelling some such action having long been a matter of publicity.

The new company have issued a million and a half of dollars stock, and the Board are authorized to issue as much more—all of which is preferable to stock—if required to pay the floating debt. The present issue covers the amount for which the road was sold.

The continuance of the new organization depends upon two contingencies, viz: the assent of the bondholders of the first and second mortgages to suspend their interest for two years, new and confirmatory mortgages to be issued, and the agreement of the holders of the third and fourth mortgages to carry out the programme, and to take 7 per cent. preferable shares, instead of their present 10 per cent. mortgages.

It is caculated that the net earnings of the road for the next two years, will be between $400,000 and $500,000 a year, and which will be sufficient to clear off the floating debt, and leave the earnings of the road after that time, to pay the interest on the first and second mortgages, and preferred stock, &c.

No doubt is entertained by the Board, but that the bondholders named, will accede to the propositions, it being so clearly for their interest to do so.

Regarding this new organization as permanent, therefore, the public will be gratified at the flattering prospects of the road. The business is constantly on the increase, and nothing has been wanting but a sound financial credit, and this it will have under the present organization.—*Detroit Daily Advertiser, Oct. 26th.*

CHICAGO AND THE EAST.

FARE AS LOW AS ANY OTHER ROUTE.

☞ Passengers wishing to go by this desirable and pleasant Route, should be particular and ask for Tickets by Fort Wayne, avoiding the annoyance of re-checking baggage as by other routes.

R. to Cleveland, Dunkirk, Buffalo, Niagara Falls, via New York Central and New York and Erie Railroads to New York and Boston.

Persons going East will find this route by far the most desirable, both from the advantages in point of distance, variety and beauty of the country through which the roads pass, as well as the less frequent changes of cars, and the annoyance of re-checking baggage required by other routes.

Facilities for the transportation of Freight and Live Stock by this route, are unsurpassed. Rates as low as any other route, and with equal dispatch.

New and Important Arrangement.

To Shippers of Freight

TO THE NORTH-WEST.

THE LA CROSSE & ST. PAUL

UNITED STATES MAIL PACKET LINE

Running only between LA CROSSE & ST. PAUL for the transmission of

Passengers, Freight and Mails.

THE PACKET LINE IS COMPOSED of the Steam Packets

Favorite, Frank Steele, Winona, and Aeolian,

Acknowledged to be the best boats for the trade upon the Upper Mississippi, being of lighter draft than any now running.

This Line carries the United States Mail, and has not missed a daily connection since it was established, with the trains, either way, upon the La Crosse & Milwaukee Railroad.

Shippers from Milwaukee will see that this is the most reliable Line of Boats for Freights, as the lightness of draft enables them to make their trip without delay, while by any other route delays are unavoidable.

One of the above Boats will leave La Crosse every evening, on the arrival of the 1:55 P. M. train from Milwaukee, and returning arrive at La Crosse in season to connect with the Express Passenger train, which leaves at 5 A. M.
